Big IDEAS Discussion: Activating Interest for NSF USDA AI Institutes

Big dreams lead to Bright IDEAS that require bold moves for brilliant returns. The National Science Foundation and USDA National Institute of Food and Agriculture (NIFA) are investing in AI-Driven Innovation in Agriculture and the Food System.

The CAIA Big IDEAS session is featuring the roadmap to success in AI Institutes to showcase that 'Big Dreams, Bright Ideas, Bold Moves, Brilliant Returns' are possible.

REGISTER HERE

IN THIS SESSION YOU WILL:

- GET ENCOURAGEMENT FROM DR. DANIEL SUI, VT VICE PRESIDENT FOR RESEARCH AND INNOVATION
- SEE THE DREAM BECOME REALITY, FEATURING DR. VIKRAM ADVE, PI OF THE FUNDED NSF USDA AI INSTITUTE FOR FUTURE AGRICULTURAL RESILIENCE, MANAGEMENT, AND SUSTAINABILITY (AIFARMS), UNIVERSITY OF ILLINOIS
- HEAR THE BRIGHT IDEAS AND BOLD MOVES AS A VT/CAIA TEAM DESCRIBES THE TEAM DEVELOPMENT AND SUBMISSION PROCESS
- START YOUR DREAM AND BIG IDEA ROLLING FORWARD WITH CAIA, CALS RESEARCH, AND OFFICE OF SPONSORED PROGRAMS
